* To create html for ⁶⁶New
Books Arrival⁹⁹.

```
<!DOCTYPE html>
```

```
<html>
```

```
<head>
```

```
<title> HTML Table </title>
```

```
</head>
```

```
<body>
```

```
<table border = 66199 cellpadding = 66599 cellspacing  
= 66599 >
```

```
<caption><b><u> New Arrivals BOOKS </u></b></caption>
```

```
<tr>
```

```
